Proceeds of the Seventh Annual Axiom Golf Tournament will be donated to the Fisher House Foundation.

Fisher Houses are located on the campus of 34 military and veterans medical centers, offering military families the chance to lodge as close as possible to loved ones requiring hospitalization for wounds, illness, or serious injury. Fisher Houses open their doors to eligible families, often at no cost. When families can help defray the costs of housing, the average charge is less than \$10 a day; in some cases, lodging is provided at no cost to the family.

By special arrangement, 100 percent of the money donated this year will be dedicated to supporting the Fisher House mission at Walter Reed Army Medical Center, National Naval Medical Center Bethesda, and Malcolm Grow Medical Center. These Washington-area Fisher Houses are providing tremendous support for service personnel returning from combat in Afghanistan and Iraq, and Axiom is proud to support their efforts.

Axiom thanks all golfers, sponsors, donors, and contributors for helping make this year's tournament our best ever. Hit 'em long and straight!
